Dear Members

It's been too long since I saw your face or heard your voice – or saw you sitting in your usual place! Of course, the reason for this is our love for one another being expressed by keeping our distance during this COVID-19 Pandemic. This is such a reversal of the message of the Church!

I hope you and your family are well – and especially pray you are remaining free of the virus – and any other illnesses!

Please accept my apologies for not being in contact with you earlier. Perhaps you are aware we are preparing a worship video each week to be viewed on the Internet. If you do not have a computer, but have a cell phone you are able to view the worship service on your phone. If you have not already done so, click on your service provider and type in [hebron-umc.org](http://hebron-umc.org) or type YouTube Hebron UMC. Also, if your location makes it difficult to connect, you may drive to the parking lot of a fast food restaurant or any other business establishment and you will be able to pick up the service better. I am technically challenged – so if this does not work, please seek the help of a family member or friend.

Also, thank you for remembering to send your tithes and offerings to the church office or electronically. Let's remain financially strong, also.

Prayer: Gracious Lord, I thank you for our church family. I pray your presence with each member during these days of separation. Thank you for being their source of hope and peace as we unite together in prayer and in service to one another. Thank you for the longing you have placed in our hearts to be in fellowship one with another. Thank you for loving us and holding us in the arms of your love! Amen.

Peace!

Pastor Warren
